EDUCATION

University of Wisconsin–Madison, Madison, WI

Bachelor of Business Administration in Finance, Investment & Banking

Aug 2013

National University of Singapore – Singapore

Study Abroad

Aug – Dec 2012

PROFESSIONAL EXPERIENCE

Samsung SDS – Pangyo, Korea

Sep 2024 – Present

Senior Data Analyst

- Lead a six-person Freight Volume Aggregation Improvement Task Force to standardize volume classification across **six regions and 10 organizations**, establishing a company-wide authoritative dataset
- Trace discrepancies to shipment events in SQL and redesign four freight-aggregation rules, restoring **28,306 forty-foot equivalent units (FEU)** of misclassified 2025 volume and cutting anomalous records from 0.80% to 0.56% in two months
- Diagnose Cello Square customer journey friction using Google Analytics 4, Google Tag Manager, and internal data, identifying fragmented rate-search paths and quote delays linked to customer drop-off and recommending improvements
- Develop customized dashboards and retention tracking for a cosmetics-focused express initiative targeting Korea-to-U.S./Japan demand, enabling customer acquisition and repeat use monitoring

Korean Air – Seoul, Korea / Manila, Philippines

Jan 2014 – Aug 2024

Project Manager – Group Sales Optimization & RM Strategy

Apr 2023 – Aug 2024

- Managed the 17-month Group Sales Optimizer project, coordinating PROS, JAL/ANA, and Korean Air pricing, IT, analytics, and operations teams to translate sales rules into automated booking workflows
- Developed a reservation misuse monitoring tool that turned suspicious bookings into sales-team investigation rules, flagging **600+ cases annually** and preventing **~\$370K in annual revenue leakage**; earned Quarterly IT Excellence Project Award

Regional Sales Marketing Manager – Philippines Regional Office

Sep 2022 – Apr 2023

- Led a seven-person sales team across Manila, Cebu, and Guam during the market recovery, driving group reservations **+340% YoY** and restoring volume to **80% of the 2019 pre-COVID-19 baseline**
- Executed seven travel fairs with the Philippine Travel Agencies Association and Korea Tourism Organization (**\$2.1M revenue**)

Revenue Management & Pricing Systems Manager

Apr 2021 – Sep 2022

- Implemented logistic regression and random forest models in Python to analyze route-level recovery during COVID-19 and inform demand forecasting and dynamic pricing decisions
- Evaluated Amadeus RMS as a competitive alternative during PROS contract renewal, contributing to **\$3.32M in five-year cost savings** while mentoring four junior colleagues on forecasting and pricing

Passenger Division Data Analyst & System Administrator

Jan 2017 – Apr 2021

- Following the transpacific joint venture launch, integrated **100M+ ticketing and flown records** with Delta Air Lines' passenger data in nine months so both carriers could base decisions on the same dataset
- Renegotiated the IATA DDS data contract during COVID-19, securing **\$390K in cost savings**; delivered **74 hours of Data/BI training** to sales and network-planning teams in Korean and English

Sales Support Assistant Manager & Sales Representative

Jan 2014 – Dec 2016

- Analyzed sales performance across **780+ Korean travel agencies** using Oracle BI and supported the Mode Tour account across Southeast Asia and Americas markets

ADDITIONAL

- **Entrepreneurship:** Founder, AiMollaeBook – book-shaped parenting product; sold **2,000+ units (\$25K)**; preparing U.S. launch
- **Certifications:** PMP (PMI, 2026); CPIM (ASCM, 2025)
- **Technical Skills:** SQL, Python, Power BI, Tableau, Oracle BI, Google Analytics 4, Figma, PROS RMS, Claude Code
- **Languages:** Korean (Native), Japanese (Advanced), Chinese (Basic)
- **Work Eligibility:** Eligible to work in the U.S.; will require visa sponsorship for full-time employment
